## TECHNICAL SKILLS

ArcGIS Suite  
CommunityViz  
CityWorks

ERDAS IMAGINE  
GPS Data Collection  
Trimble Pathfinder

Tinn-R & R  
AutoCAD  
MS Office

## EXPERIENCE

### City of Grand Rapids [internship]

Served as a GIS specialist for the Traffic Safety Department instrumental in the creation of routing features soon to be available on the MoveGR.us website. Routinely assisted with complex engineering tasks necessary for the design, development, and construction of highway projects including the multi-jurisdictional "Re-vision Division" initiative. Designed maps for various projects within the city of Grand Rapids.

### Cascade Engineering

Operated molding presses in a team-centric environment. Performed vital quality assurance and control inspections on a regular basis. Improved efficiency by identifying performance gaps in specific processes.

### Central Michigan University

Served as a professor's assistant who specialized in setup and maintenance of technical lab equipment. Reviewed and corrected student tests and class specific materials.

## HONORS

**Dean's List Fall 2010**
